Letter from Laura

Letter from Laura

By the time this edition of the Chimes hits your inbox or mailbox, the Session will have met and gotten updates about the Mission Study Task Force. The people who have said yes to serving on the MSTF will be gathering and choosing dates to meet and to conduct the various pieces of our study time. It looks like this will be an energizing and productive summer for us.

The premise for our work together is this: all of us are in relationship with God, who is ever more ready to communicate with us than we are to listen. God is also ever more ready to bestow grace on us than we are to receive it. This God is also willing to offer us direction and perspective if and when we are ready to surrender our willfulness and be open to receiving such direction. The reluctant partner in all this is never God.

At the very heart of the Christian faith lies one fundamental question: how can we understand and live out the will of God? When Jesus sought a way to identify who was of the family of God, he determined that a member of the family is whoever does the will of God (Mark 3:35). And when he was in agony in the garden of Gethsemane on the night of his betrayal, his prayer was simply and profoundly that God's will be done (Mark 14:35). This desire, this longing to seek to do God's will, is called "discernment" and is a hallmark of the Christian faith.

As Presbyterians, we believe that the will of God is discerned as we gather with each other. No one person knows fully the will of God, but each of us can glimpse an understanding of what God desires. By sharing these understandings in the community of faith, we can enable the wisdom and way of God to emerge among us and build a consensus about what is the will of God for UPC for this time and place. Another way to answer what the will of God is for UPC right now is the answer the questions of "who are we" and "what does God want us to do"?

Nothing is more potent than a group of people who hold a vision in common. I bet when UPC came to say "We grow and nurture followers of Christ in a welcoming community" you were really excited! I love the banners around the church that include the words that tell us what it takes to grow and nurture followers. I suspect that our time of discernment will serve both to confirm and amplify this identity and provide us ways to live into it more deeply. This means not only identifying our great strengths and building on them, but also honestly naming our greatest weaknesses and working at correcting them. For instance, we already know, as a Session, that we need to do a better job of communicating.

I'm excited to see what we will learn in these coming months and hope for your whole hearted participation.

Blessings,
Rev. Laura

Thanks

Dear UPC Family,

Thank you for allowing us to host our 50th wedding anniversary open house in the Fellowship Hall on June 10th. It was the perfect place to have our event.

Several came from other churches near and far, and commented on how nice of a facility we as a congregation have.

Thank you to Shirley Poshard, Pat Weinkauff and Barb Mosher who handled the serving for us. Jim and Betty Pugh opened the hall

for us and made signs to direct guests to the hall and helping with clean up after the party. They helped with other background things including getting the room set up for the 97 guests who came that day. We had two friends from other churches who also helped with the reception. Trish Deppermann assisted in many ways in planning. Thank you to Jim Andrews for staying to lock up when we were finished. People came that we had not seen for years including cousins from Champaign and NW of Chicago.

Bobbie and Bill Rice

UPC,

Thank you so much for the Bible and gift card. I love my church so much and it was so thoughtful of my church family to think of me at graduation time. I'll miss my church family when I'm off to Knox College, but I'll still be sure to stop in when I can.

Elise Hanson

To All,

Thank you for the prayers, cards, call, flowers, and phone calls while I was recovering from my accident. I'm blessed to have such a caring church family.

Love,

LaVonne Seelye

Dear UPC,

I cannot say how thankful I am for the red rose while hospitalized, the additional help with our daughter's funeral expenses and all the care and concerns shown us.

Bill and Betty Keller

Dear Friends,

I would like to thank you for the beautiful red rose that came to my room while hospitalized. I cannot go to church now, but I am with you in spirit. Thank you so much.

School time will be here before we know it! We are in need of school supplies for the Foster Family Back-to-School Ice Cream Social on Saturday, August 4th from 3:30-5:00 pm. A list of needed supplies will be available and can be brought to church starting July 1st.

Learn more about making Peoria a "Welcoming City"

On Sunday, July 15th Anthony Walraven from Change Peoria will join us to talk about the Welcoming City Ordinance for Peoria. He will be sharing for a few minutes during service and then will be available for conversation and post card opportunity following service in the Fellowship Hall.

In a joint letter sent to the church from the ACLU of Illinois Peoria-Area Chapter and Change Peoria:

"According to Illinois People's Action, a Welcoming City Ordinance will show respect for many contributions immigrants made to our community, as well as strengthen the relationship between immigrant communities and law enforcement. This ordinance would reinforce to immigrants in Peoria that our city values them and respects them.

If passed, the Welcoming City Ordinance would prohibit law enforcement from using their resources to help ICE agents in any way, including but not limited to: prohibiting stopping or holding anyone based on their immigration status, prohibiting collecting and sharing information on the immigration status of our residents, and prohibiting the city from threatening anyone based on their immigration status. This ordinance would not protect residents from being deported, it would not prohibit lawful communication with federal agencies on trafficking investigations, and it would not provide lawful immigration status.

According to the ACLU, there are 41 million immigrants in the United States, and our organizations feel strongly that immigrants make all of our communities better and should be respected and treated as such. We know that many questions surround the Welcoming City Ordinance, and this is why we'd love the opportunity to discuss with your congregation and answer any questions they may have."

Projecto Amar Summer Camp Update

Each summer, Projeto Amar, our school partnership in Brazil, plans a special summer camp excursion for the children that they serve. The students anticipate this trip with excitement, knowing it will be a time of fun and games with their peers, as well as an opportunity to grow in character and in faith. This year's camp is scheduled for the beginning of August, and they are just \$1000 shy of the funding needed for the children to go on this meaningful getaway. One of our board members, Karin Daun, who visited United Presbyterian in May, set up a GoFundMe page to help us reach our goal! Mission

Family Separation- How To Get Involved

Our news reports and social media feeds have been full of the issues facing immigrants entering the country. It can be hard to separate fact from fiction, political from journalism, faith-based from secular. We can feel a range of emotions ranging from fear to empathy to anger to frustration to absolute heartbreak- all in a single day or hour. It is so overwhelming and so complex we may feel that we don't know where to start or how we can make a difference.

I'd like to offer a few simple steps to start:

1. Learn the facts:
 - On May 7, 2018 the Attorney General announced a "zero tolerance" policy stating border officials with the Department of Homeland Security (DHS) are to criminally prosecute individuals who do not cross the border at an official port of entry to the country.
 - Previously, individuals found crossing the border were sent to an immigrant detention center and sent before an immigration judge. With the new policy, individuals are sent to federal jail and are being sent before a federal judge, therefore, being separated from their children.
 - According to the Department of Homeland Security report 1,995 minors were separated from an adult from April 19 through May 31 alone.
 - Children are turned over to the Office of Refugee Resettlement (ORR) within 72 hours and held in a government facility while trying to locate their nearest relative in the United States. As of June 7th, ORR facilities were already 95% full.
2. Donate: There are many organizations providing legal representation to children who have been separated from their families. The Presbyterian Disaster Assistance (PDA), supported by our One Great Hour of Sharing and other special offerings at UPC, also "supports the Presbyterian Church (USA) humanitarian response to and advocacy on behalf of refugees, asylum seekers and other forced migrants".
3. Contact your US Senator and Representative: Encourage them to speak out against family separation. Let them know this is not acceptable. It must stop.
4. Join the Missions Committee on Sunday, June 24th: We will be providing an overview of how our denomination, the Presbyterian Church (USA), is getting involved as well as individual ways to take action. We will also have a table in the fellowship hall with advocacy postcards, calling scripts, and information about immigrants and refugees. We would welcome your conversation and questions.

3. Also feel free to join us at an upcoming Mission Committee meeting or let us know how you'd like to see UPC address immigration as a welcoming community.

Presbyterian Church (U.S.A.) General Assembly Stated Clerk the Rev. J. Herbert Nelson, II, released the following statement on the policy of family separation at the 223rd General Assembly:

"What has this nation become? How have we wandered so far from Jesus' kind admonition, 'Let the little children come to me ... for it is to such as these that the kingdom of heaven belongs.' How can this be happening in a nation in which so many claim the traditions of Christianity, Judaism and Islam and the critical importance of families to the fabric of our lives together?"

Perhaps the most egregious aspect of this policy is the willingness of the highest legal official of our nation to suggest that if a mother has fled violence in her own country to save herself and her children, but has not had a chance to make a proper petition for safety in the U.S., she should be taught a lesson by having her children taken from her. It is almost incomprehensible that these acts should be used as a warning to others who would come.

What makes matters worse is the audacity of quoting the Apostle Paul's admonition to believers in Romans 13:1 to obey the law (presumably whatever the law says), while ignoring the higher scriptural demand that "love is the fulfilling of the law" (Romans 13:10).

The crisis of tens of thousands of desperate people coming to the United States for relief seems almost overwhelming. But as the officials of our government attempt to address the crisis, we cannot afford to tarnish the highest values of our nation. We must not punish desperate parents by tearing their children away from them, leaving the parents without access to the children or assurance of their welfare.

In the name of God of Abraham, Isaac and Jacob, in the name of our Lord Jesus Christ: Stop!"

Together in faith,

Save the Date- Two Concerts at UPC

The first concert will be Friday, July 27th as the Peoria Municipal Band will be playing on the church grounds at UPC for an outdoor concert. Please bring lawn chairs to sit on for this concert and invite some friends to enjoy the music with! Concert is free of charge and begins at 7:00 pm.

The second concert will be Sunday, September 16th at 2:30 pm and is titled "There Always, Something Sings: 21st Century Composers on Religious Division and Unity." Soprano Angela Born, tenor Matthew Peckham, pianist Dana Brown, and percussionist Matthew Kibort will be performing works by Paul Winchester, Mohammed Fairouz, Erik Contzius, and Michelle Isaac. This will be a wonderful opportunity to explore the commonalities between Christianity and Islam through music. Angela and Matthew will also be at the morning worship service on September 16th to sing one of the songs from the program during the offertory time.

Community Choir

The Community Choir is back. This group is designed for anyone who likes to sing. You do not have to be trained, you do not need to read music, and you don't have to have any choir experience. The goal is to meet the singers in the Chancel Choir, have fun singing, and offer music to God and the community in worship. If you have wanted to sing with a group, or have sung with a group but can't commit to weekly rehearsals, this opportunity is for you.

On the second Sunday of the summer months (July 8th, and August 12th) we will have a rehearsal in the sanctuary at 9am to learn the music. Next, the Community Choir will sing for the prelude and then head back to their seats so everyone can be in the pews for the rest of the service.

If you have any questions, please let me know. If not, I hope to see you at Community Choir!

Songs and Sweets

On Sunday, August 12th at 4:00pm we are going to host an event called *Songs and Sweets* at the church. People of all ages are welcome to attend. We will sing favorite of church songs and hymns while enjoying ice cream sundaes. For more information email aschultz@unitedpc.org

New Website

We are pleased to announce that a new website will be launched in July! On this new website you will be able to keep up to date with events, sermons, articles, Chimes, and other pertinent info about the life of the church. This website is also designed to be easier to navigate for first time visitors. If you know anyone who may be interested in learning more about UPC, you can direct them to the website unitedpc.org.

Library News

Thank you to the person who donated the following Debbie Macomber books to the library:

Yours and Mine
Orchard Valley Brides
Wedding Dreams
Ready for Marriage
Alaska Home
Mr. Miracle

While down in Alabama recently, I also obtained the following Christian Fiction books for the library:

One More Last Chance by Cathleen Armstrong
White Christmas Eve by Wanda Brunstetter
A Home at Trail's End by Melody Carlson
Signs and Wonders by Phillip Gulley

The library staff would like your feedback on these Christian Fiction books, as some are part of a series. If you find them interesting, we will try to get more from that series.

From Stewardship & Finance Committee

We have some good news to share. During the month of May, we made a mortgage principal payment of \$40,000. The result of this action, and the standard monthly payment, is that the mortgage balance reduced by \$44,933 during the month of May. It is \$485,638.12, as of June 1.

This happened because the Stewardship and Finance Committee changed our standard mortgage payment process. Previously, we held 18 month of mortgage payments in a money market account earning 0.17% interest. We now hold 12 months of payments. The mortgage interest rate is 4.25% higher than the interest we are earning on the savings.

The risk to UPC is acceptable, because last year we reduced the monthly payment from \$12,555 to \$6770.95 per month.

On another topic-Please remember that when you go on vacation, the church bills do not. We appreciate people keep pledges current.

Safety Task Force

Securing UPC at Night The Safety Task Force wants everyone to be aware of the procedure for setting the alarm and locking up the church at night. Our cleaning service is here from 3 to 9pm each weekday evening and they are responsible for securing the building provided that no one else is still there. If you have a church meeting that runs past 8:45pm then you will need to communicate with the cleaning person and make sure there is a responsible church member designated to lock up and set the alarm. On Saturdays the church is normally locked all day so if an event is scheduled the responsibility for securing will be on the church member hosting the event. On Sundays the responsibility will be on a UPC staff member. We appreciate your cooperation to help keep UPC safe and avoid false alarms. Please call Trish to get the cleaning person's cell number. Thank you.

Meet Our Faith Community Nurse

Meet Keli Briggs Keli Briggs has been hired by the Session to be our new Faith Community Nurse. She will begin her training with us on 6/18/18 and be available to you starting 6/25/18. Living with her husband in Washington, Keli has 37 years of nursing experience in the larger Peoria area. She has taught in an undergraduate nursing program and worked in hospitals and enjoys sharing her knowledge with others. Training within community nursing programs and volunteering within her home congregation as support to her own parish nurse has drawn Keli to now pursue her growing interest in a position where she can integrate her faith with the practice of her vocation. Holding both the BSN and MSN degrees, Keli's interest in developing relationships with patients, using networks to maximize support as people become less independent, and teaching skills to provide healthy living are part of the particular skill set she brings to UPC. At the same time, she is eager to partner with such a progressive and nurturing congregation and wishes to support the health needs and concerns of every generation in the church. She is looking forward to working especially with our Deacons, Member Care, Health and Wellness committee and Stephen Ministers to continue the good ministry UPC has provided for decades through our well established, well run and well supported Parish Nurse program. Keli's office hours are M, W, F from 9:00 am to noon. Due to a previous commitment we will be making a permanent change to the blood pressure screening. Watch the bulletin for more information. Her email is kelirn@unitedpc.org and her phone is 678-8597.
